CLIENT SATISFACTION IS OUR TOP PRIORITY

"I just want to say how grateful I am to Mattex, for their incredible work, and for putting their customers first. Recently, we needed our boiler replaced as well as our air-conditioning system. A huge job... There was a missing component that we were waiting for to start the job. Drew had one of the staff drive to Indianapolis .. to pick it up so they could begin the work the next morning. I was very impressed by their work and the way they treated us as customers..."

Eric Nichols

"I called Mattex this morning and they had Josh come out around noon. I was pleasantly surprised how quick they got someone out. Josh did a great job of fixing some outlet wiring for me... He was very kind and patient with me, explaining everything.. I will be using them for all my future electrical needs. I also signed up for the A/c and Furnace servicing! Very nice people!!"

Laurie Weston

"Technician Zach did great job explaining to me what the problem was with my sump pump. I had a lot of questions and he answered all of them. He was very thorough and asked if there was anything else he could help me with before leaving. I would highly recommend Mattex for any home services you may need."
